**THIS IS WHAT
DREAMS
ARE MADE OF**

SAUCON VALLEY DANCE CONSERVATORY PRESENTS
IT'S 27TH ANNUAL DANCE RECITAL

JUNE 11, 2022

Zoellner Arts Center

This Is What Dreams Are Made Of ...

The one thing I must say about this year, it has flown by so quickly. Yesterday seemed like the first week of dance, and now here we are at the annual recital!

This past week, the last week of dance classes, or should I say specifically on Wednesday night, something struck me...I really looked at our dancers and was in awe at how much they have grown in 9 short months. The growth has been amazing, from the things they did back in September compared to what they are now doing. The drive, tenacity and talent our students possess humbles me. Sometimes taking a step back to look at the big picture is worth more than anything else. This isn't just dance lessons....These girls are making life long friends, learning so many life lessons and striving to be the absolute best they can be! I am so honored to be part of this journey and to be able to provide them with the tools and resources required to achieve their dreams.

Our dancers cannot accomplish their dreams without our dance family. Our community consists of our instructors who care so much about their students, creating positive dance classes and creating such impactful choreography to enhance each and every dancer. To the parents who make sure to support their children. Whether driving them to class, packing costumes, applying make up, doing hair, volunteering during the year or even just being supportive and watching them practice or making up dances at home.

Thank you to everyone that has helped make MY dream... the dream of spreading the joy of dance with so many people over the past 27years. I am so blessed to be able to do the thing I love most in my life and see the joy that it brings to others.

This is DEFINITELY what dreams are made of...

Hugs! - Miss Holly
